## **NEW YORK PROPERTY INSURANCE UNDERWRITING ASSOCIATION PAPERLESS E-DELIVERY SERVICE**

Due to the success of our electronic delivery service NYPIUA is now encouraging producers to eliminate paper copies of policy information. Electronic delivery has many benefits, including:

1. Daily receipt of your clients' policy information and activity notifications, including new business, renewal, and endorsement policies, confirmation of payments received and notices of payments due.
2. Less worry about insurance documents being lost or delayed. E-mails are sent to the e-mail address you provide. You may then read, store, and/or print them as you like.
3. Policy information is available on our website 24/7, 365. Access is secure and password protected.
4. If necessary, you can request a paper copy at any time.
5. Less reliance on postal delivery and potentially slow or lost mail.
6. Reducing wasteful use of natural resources.
7. Protecting the environment.

The Association is always seeking new ways to provide the best service we can to our customers. Therefore, we encourage you to take full advantage of our E-Delivery Service and eliminate the mailing of unnecessary paper copies. To submit your e-mail address and go paperless, complete and return the form on page 2.
