Dear Producer,

Hurricane Irene is approaching the area. We at New York Property Insurance Underwriting Association are committed to providing the best service possible.

If there is an event, NYPIUA adjusters will be in the area and will begin inspecting losses as soon as conditions allow. If you need to submit a windstorm claim for your insured, please do so at www.nypiua.com. Click on "Report a Hurricane/Tropical Storm Loss" (in red). Complete the windstorm loss notice and submit it online. You may also fax the report to 212-344-0731.

Experience has shown that having the insured's e-mail address on file enhances the loss settlement process. Please ask your clients to submit their e-mail address by going to www.nypiua.com and clicking on "My Account". When the window opens, click on "E-mail Address".

If you do not have access to the internet following Hurricane Irene, to better serve you, we have activated our emergency hotline. Please call 877-774-5066 as an alternate to the number above.

Keep in mind, you can:
