**NOTICE TO CONTRACTOR:**

A Windstorm inspection and Certification Form submitted to New York Property Insurance Underwriting Association indicated nonconformity with our certification guidelines. In a letter to our insured, we recommended improvements needed so that windstorm coverage could be continued. You have been asked by our insured to make those improvements.

Before beginning your work please carefully review our recommendation letter so that you fully understand what is required. If you have any questions, please contact the architect or engineer who made the inspection.

**CONTRACTOR STATEMENT:**

I have reviewed the recommendations concerning improvements necessary for continuance of windstorm coverage. The following is a description of work completed:
